Education & Transformation

This worksheet is designed for a cutting exercise. It features a large rectangular frame containing four horizontal rows. Each row is bounded by a solid top line and a solid bottom line. The space between these lines is filled with a dashed line pattern that forms a continuous, zig-zag path across the width of the page. The path starts with a horizontal segment on the left, followed by a vertical segment going down, then a horizontal segment going right, then a vertical segment going up, and finally a horizontal segment going right. This sequence of segments repeats across the entire row. At the top left and top right corners of the frame, there are illustrations of a pair of blue-handled scissors. On the right side of the frame, the text 'Education & Transformation' is written vertically.

Vježbe grafomotorike

A large rectangular frame containing four horizontal rows of dashed zigzag lines for tracing. Each row is bounded by two horizontal lines, and the zigzag pattern starts and ends at the top line of each row. The pattern consists of four peaks and four valleys per row.
